

NUR ALIA SYUHADA BINTI HARUN

INTERNSHIP

PROFILE

Highly motivated and results-oriented Information Technology student at Universiti Teknologi MARA Perlis Branch. Seeking an internship to gain practical experience in the IT field. Eager to learn new technologies and contribute to a team environment. Possess strong analytical, problem-solving, and communication skills.

WORK EXPERIENCE

- IRIS Corporation Berhad Buklit Jalil, Kuala Lumpur** 2022
Operator in Inlay Production (ILP)
 - Managed inlay production machinery:** Operated and controlled machines for inlay creation, ensuring efficient and smooth operation.
 - Maintained quality control:** Inspected inlays for defects, upholding strict quality standards to guarantee a flawless product.
 - Achieved production goals:** Consistently met or exceeded production targets, delivering at least 100 inlays per hour.

PROJECTS AND COURSEWORK

- Final Year Project: ZAKATEASE: A Web-Based Zakat Application with QR Code Integration**
 - Zakat Management Platform in Development:** A comprehensive online platform is being built to facilitate and streamline the zakat process. This platform will empower users to submit zakat applications efficiently.
 - User-Friendly Interface Design:** Visual Studio Code and Figma are being utilized to create a user-friendly application for efficient zakat submission.
 - Technical Implementation:** XAMPP serves as the local server environment. PHPMyAdmin manages the database. Front-end development utilizes HTML, CSS, and JavaScript for a visually appealing and functional web application.

EXTRACURRICULAR INVOLVEMENT

- Malaysia's Greening Program: 100 Million Tree Planting Campaign** 2023
Participated in a national environmental initiative focused on reforestation.
- Committee Member, Volunteering is for All, UiTM:** Contributed 2022
to a university organization dedicated to volunteerism and community service.
- International Mobility Program, UiTM Perlis - Universitas Airlangga** 2021
Participated in an international program, promoting cultural exchange and academic collaboration.
